

T M P
Sales, Inc.

Manufacturers Represented:

Tetrafab: Portable Electronics Accessories: Offering Smart Battery Chargers; Custom Carrying Cases; and High Speed/Density Connectors & Custom Cable Assemblies (including Fiber Optics).

Spacecraft Components Company: SCPB reverse bayonet (VG93524) connector used in transit (trainline, brakes, doors, propulsion, speed sensors, HVACC, etc.). Entertainment (HMI lighting, multi-channel audio, Socapex compatible 19 pin. MIL-C-5015 threaded commercial version. MIL-C_26482 bayonet. Custom connectors and backshells to meet customer application. Distributor of Mil Spec 38999,5015, 26482, and others.

Greencubes Technologies: Custom smart battery chargers for portable workstations. power system design, adding intelligence and software capabilities

**Inter-Technical;
WIMA capacitors, EMC
Inductors:** SMD Power Inductors, Box film capacitors including SMT packages down to 1812 at . 47uF/63V and SMD 1uF/2.2V for tip and ring telecom applications. Leaded 5.0 PCM and 2.5 PCM film capacitors, snubber capacitors, RFI capacitors for AC Circuits.

SIBA: Leader in circuit protection. Fuses for semiconductor high speed (UltraRapid), traction, DC, electronic, medium and high voltage for indoor and outdoor applications. Meet UL, VDE, IEC, as well as German, French and British Standards. Fuse holders and accessories also available.

FCT Electronics: Coaxial connectors, mixed contact D-sub connectors, connector hoods, custom and standard design. Semi-rigid coax assemblies, mixed power/signal cable assemblies.

IPEX: Micro-coax interconnect solutions, high speed, high density, 802.11 MHF, ministack, diffline, minidock, miniflex, cabline. Internal Embedded Display Port interconnect solutions.

Holy Stone International: High voltage and safety ceramic caps for networking, power, isolation, EMI, surge protection .

Seattle Office:

20026 182nd AVE NE
Woodinville, WA 98072
